www.trybooking.com/CVPZG

The Spring Gala Luncheon is a wonderful opportunity to connect with our school community. The lunch offers live music, delicious food, spectacular raffles and silent auctions, thanks to generous donations from parents and businesses in our local community.

We are delighted to introduce our 2024 guest speakers - Kinja, a unique musical duo that blends Indigenous Australian and Celtic sounds. Ron Murray, a descendant of the Wamba Wamba people, plays the didgeridoo, while his wife Sarah James, of Scottish ancestry, plays the fiddle and sings. Their partnership transcends cultural differences, creating an ethereal sound that celebrates their shared commitment to social justice and reconciliation, inspiring a sense of belonging and unity.
